

**DRIVES & AUTOMATION**

**MOST  
ENERGY EFFICIENT  
MEANS OF PROCESS  
CONTROL**

**Medium & High Voltage Multi Level IGBT Drives**

HIVECTOL HVI-E series medium voltage multi level IGBT drives  
Up to 14,700 kVA , with 3.3kv, 6.6kv and 11kv voltage

**Engineered Drive System**

For steel & process automation and other industrial applications

**Industrial & Plant Automation Products**

PLC-Micro EHV+/EHV+/Micro EH, SCADA, DCS & Automation Panels
